Ships At Sea

Our lives upon life's ocean waves
Are tossed about like ships at sea;
And we, the captains of our souls
Must guide them to the goals that be.

We at the helm must meet the storm

And plow right through each rolling wave;

Must steer our bark the best we can

And try our best our course to save.

At times the sea will tranquil be, At other times the billows roar; It's then we'll find it hard to steer Our bark along toward the shore.

But if the clouds obscure our view

And we lose sight, and oft despair,

Let faith, our compass, never fail

But steer us in life's harbor fair.

CYPRUS HIGH CONGRESS

HOUSE OF REPRESENTATIVES

Keeping direct communication flowing from the individual student to the governing bodies of the school, has been the members of the House of Representatives. Pictured from top to bottom are: Doug Fotheringham, Vic Carsey, Corey Jones, Shelly Sharp, Georgene Colovos, Carrie Sue Foote, Sherry Belliston, Doug Dilley, Paula Tygeson, Tracy Rose, Brenda Jensen, and Jill Rushton who served as secretary of the group.

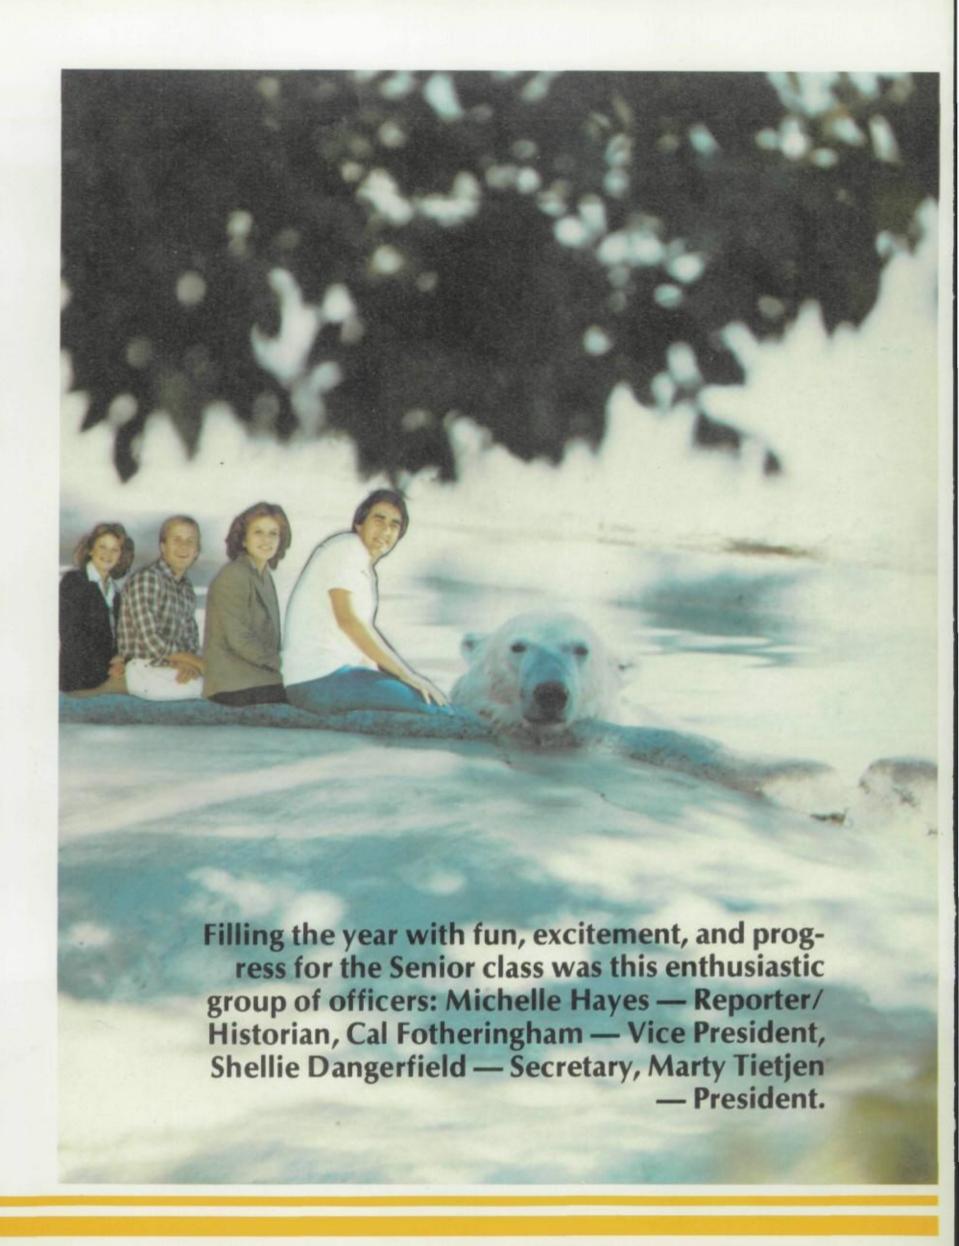

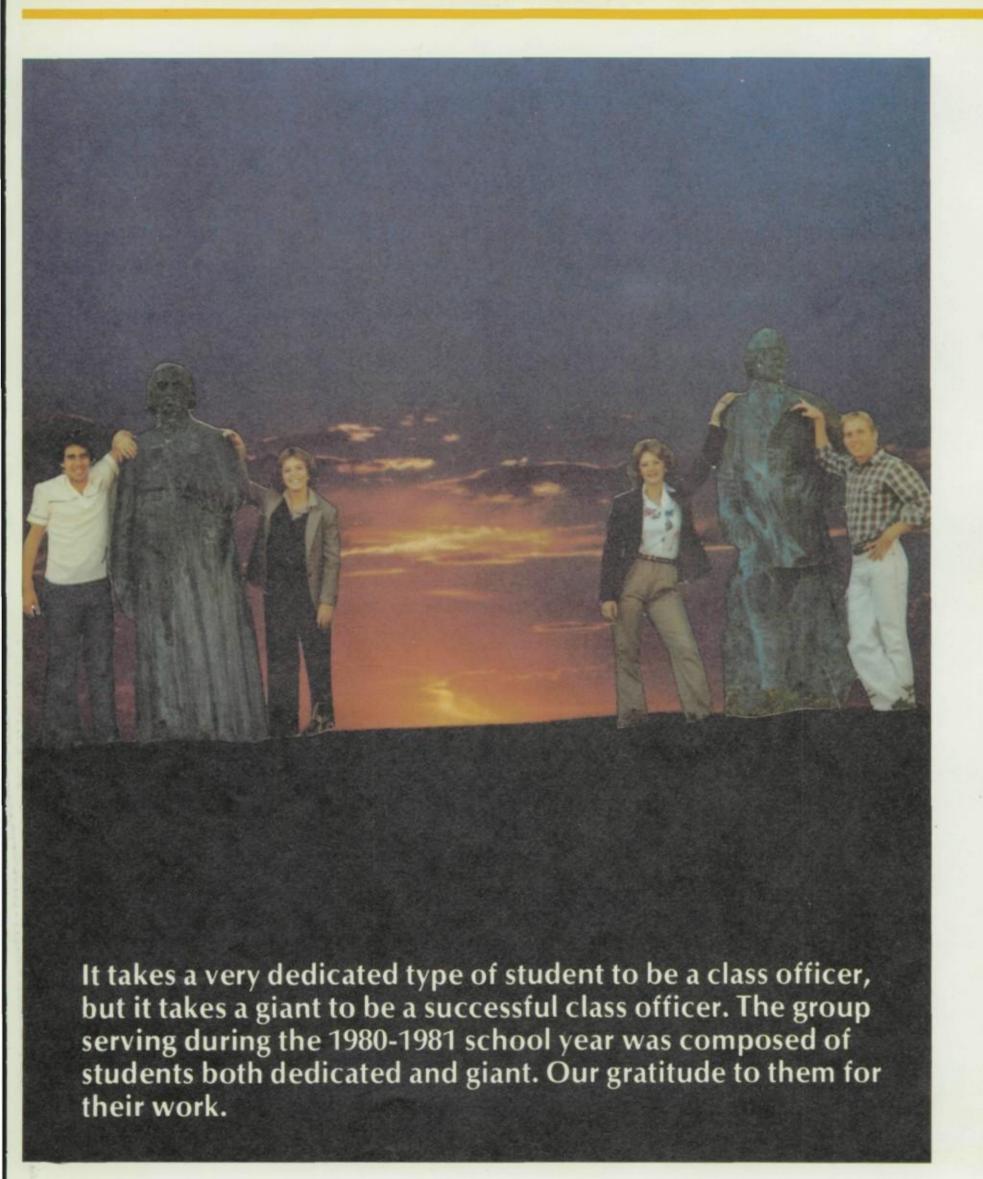

SENATE

Six students, elected by their respective classes, comprise the Senate. This year's group consisted of Tawnia Snow & Arlene Pino, Seniors; Brint Peel & Mark Underwood, Juniors; Suzanne Ogden & Joni Hall, Sophomores. The six worked very closely with the House in devising and passing several new bills.

Keeping both of these legislative groups happy and functioning has been Mr. Byron Lund. His personal knowledge of governmental processes has been very helpful to both the congress and the school.

The Set of the Sails

Ruth Hubert Noordhoff

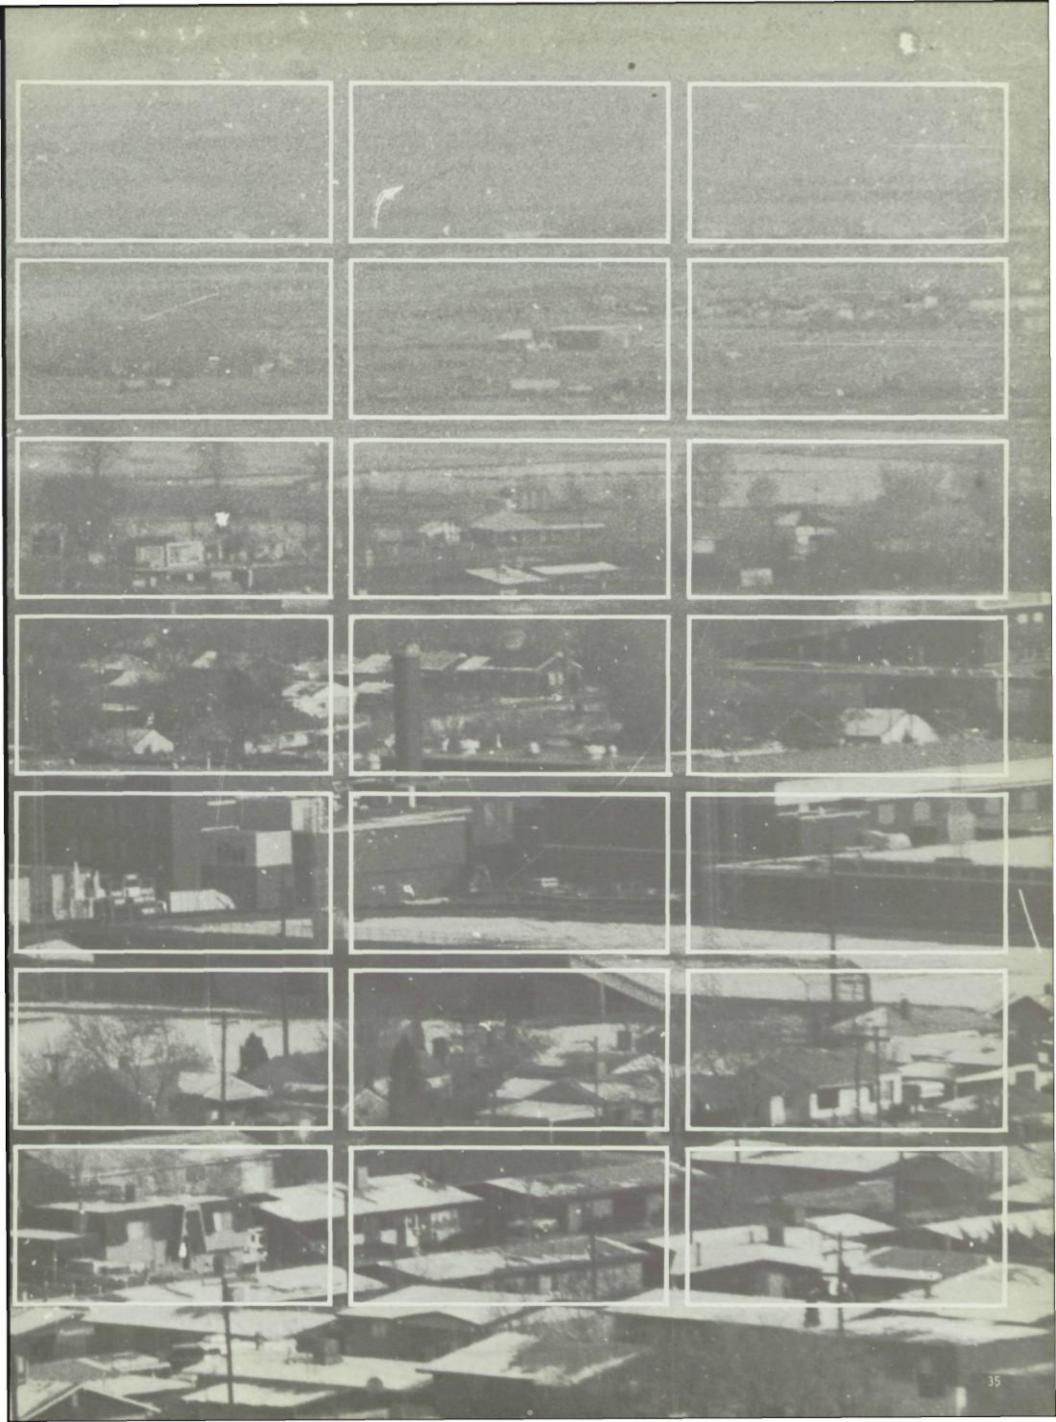

It's the set of the sails,
Not the swiftness of gait,
Which determines where we shall go;
For thought's right direction,
Applied, saves our strength,
Where once we were tossed to-and-fro.

The passage is guided,
Once we are led,
To Him who will captain the ship;
And His strong, steady hand
Reaches out should we fail,
For He's always aware should we trip.

Those yesterday's problems,
When courageously met,
Prepare us to watch and to wait;
Once we know the setting of sails
Is our greatest concern,
Need we question the swiftness of gait?

Representing a number of outstanding all around atheltes at Cyprus is Mr. Gilbert Vasquez. He excelled in Track as well as in other sports.

From back to left — Scott Hancock, David Strausburg, G. Vasquez, B. Uttley, C. Sorenson, V. Grimm, M. Harmon, C. Fotheringham, K. Nay, L. Galloway, D. Cook, T. Thomas, C. Thompson, R. Bryan, K. Johns, P. Broadhead, R. Beck, L. Moncur, R. Beagley, R. Maggard, E. Cutler, R. Collard, M. Venturino.

The season for Track comes so late in the year that is most difficult to get proper coverage in the yearbook. An attempt has been made to present at least some of the individuals and events that became part of the 1981 Track Program at Cyprus.

Both boys and girls trained long and hard to perfect the skills required of real track stars. Their efforts combined with the instruction from the coaches proved to be successful.

Roger Collard expresses the pain of "putting."

STATE SWIMMING CHAMPIONS AGAIN!

Coach Darwin Killpack led his groups of swimmers to fame again in 1981. This makes 11 state championships for Coach Killpack. A most remarkable record. This year's victory was number 7 in a row for Cyprus swimmers. The boys' squad took first place and the girls' came very close with an impressive second.

The entire studentbody salutes Coach Killpack and the swimmers for an excelent season.

SCHOOL PLAY

cessful school play this year. Cast included: Todd McCashland — Steve, Troy Beatty — Chesney, Derek Merrill — J. Chesney, Andy Gilbert — Wykeham, Kyle Johns — Brassett, Dee Freeman — Johna Lucia D'Alvadorez, Pam Parker — Spettigue, Maria Brown — Kitty, Denise McClaren — Ela. Understudies were: Wendy Hanson, Malynda Jenen, Todd Richards. Asst. Director was Cyndi Chadwick.

Representing the fine cast is (pictured) Theron Read. He actually wore two faces in the play even though they were not in the same costume. He was Charley & Charley's Aunt. His acting in the starring role was equaled only by the fine direction by Mr. Charles Brown.

CYPRUS SKI CLUB

Too numerous to name were members of the '81 Ski Club. Advised by Mr. Thacker.

Ski Club Officers: Mike Mamales, Kelly Wutherich, Ann Yeagle. The season gave the students a real scare as the beginning date for the ski program had to be postponed for several consecutive times. But, finally, the white stuff came and the results were adequate. All turned out well.

Artistic professional or shakey beginner? Maybe both? Maybe neither!

HUGH CANNONAWARD

Hugh Cannon was Vice President of Cyprus in 1942. He was extremely popular and very successful. While serving his country, after graduating from Cyprus, he was killed in the battle of the Phillipine Sea. In his memory the outstanding male Senior is honored each year.

This highest award bestowed by Cyprus High School was presented this year to Mr. Marty Tietjen. Marty has exhibited a pleasant warmth during his years at Cyprus that will never be forgotten. He has achieved admirably in his academic pursuits; he has served willingly in extra-curricular positions; but, possibly most important of all, he has been an example of courtesy and respect that has been unequaled.

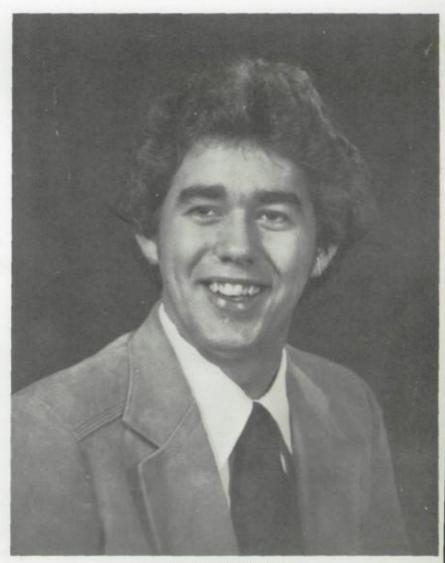

Marty was Sterling Scholar in Business this year and he has functioned most capably as President of the Senior Class. We salute him and we honor him as the Outstanding young Man in the 1981 graduating class.

ANN PEHRSON AWARD

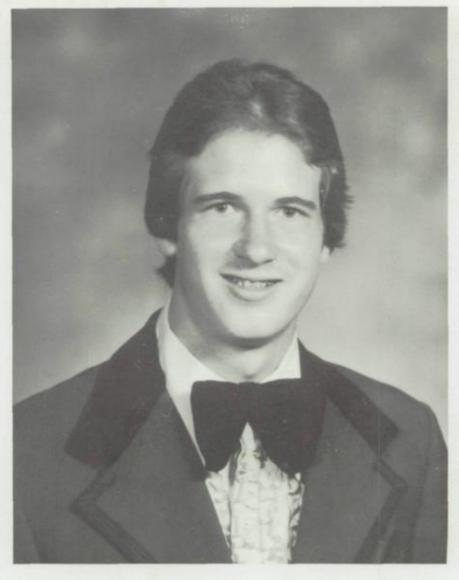

In recognition of the hundreds of things that Miss Ann Pehrson has done for Cyprus High and for the community, the outstanding female Senior is honored each year in her name. The award for 1981 went to Miss Debbie Eldredge; and quite fitting, for the dedication that she has shown to Cyprus is very like that of Ann Pehrson.

In addition to being one of the top academic students, Debbie won many special honrs for herself and, consequently, for Cyprus. She served most effectively as Editor-in-Chief of the Buccaneer, and she was selected as the Cyprus Sterling Scholar in English.

Debbie has exhibited the devotion to her school that would make Miss Pehrson, herself, very proud. We congratulate Debbie, most sincerely, for all that she has done to merit the title of "Outstanding Girl" in the 1981 graduating class.

Remember When . . .

... the Homecoming Royalty were crowned at the assembly . . .

... when the lights went out

... and when the track was re-done ...

... and the Executive council counseled ...

... and when the whipped cream flew ...

... and who the Sr. Officers were . . . and who this is . . .

... and who came to the games ...

... yes, it is fun to reflect and to remember the highlights and the faces of the year now past

What do you remember about the past year?

... the high "C" I almost hit ...

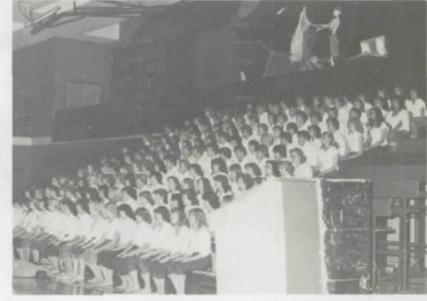

... being a cripple . . .

... T. R. my star . . .

... the quiet before the storm . . . missing the tennis ball . . .

... the Seniors paying off the judges ...

... seeing things clearly ...

... fetching Shawna's shoe

... the one time that we all did it right ...

... the sweet and the bitter ...

... the perfection of our architecture . . .

... the many narrow escapes ...

... the intense spirit during halftime ...

... smiling outside, crying inside ...

... that special homecoming date

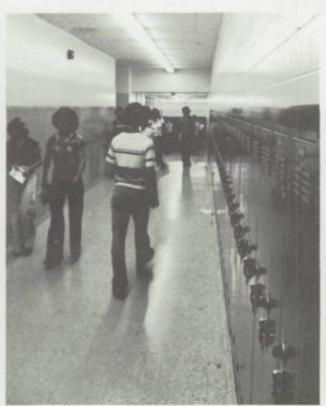

those searching moments:..

... the heated competition for my company ...

... when boys were officers

autting to know ya Our lives upon life's ocean waves Are tossed about like ships at sea; And we, the captains of our souls Must guide them to the goals that be.

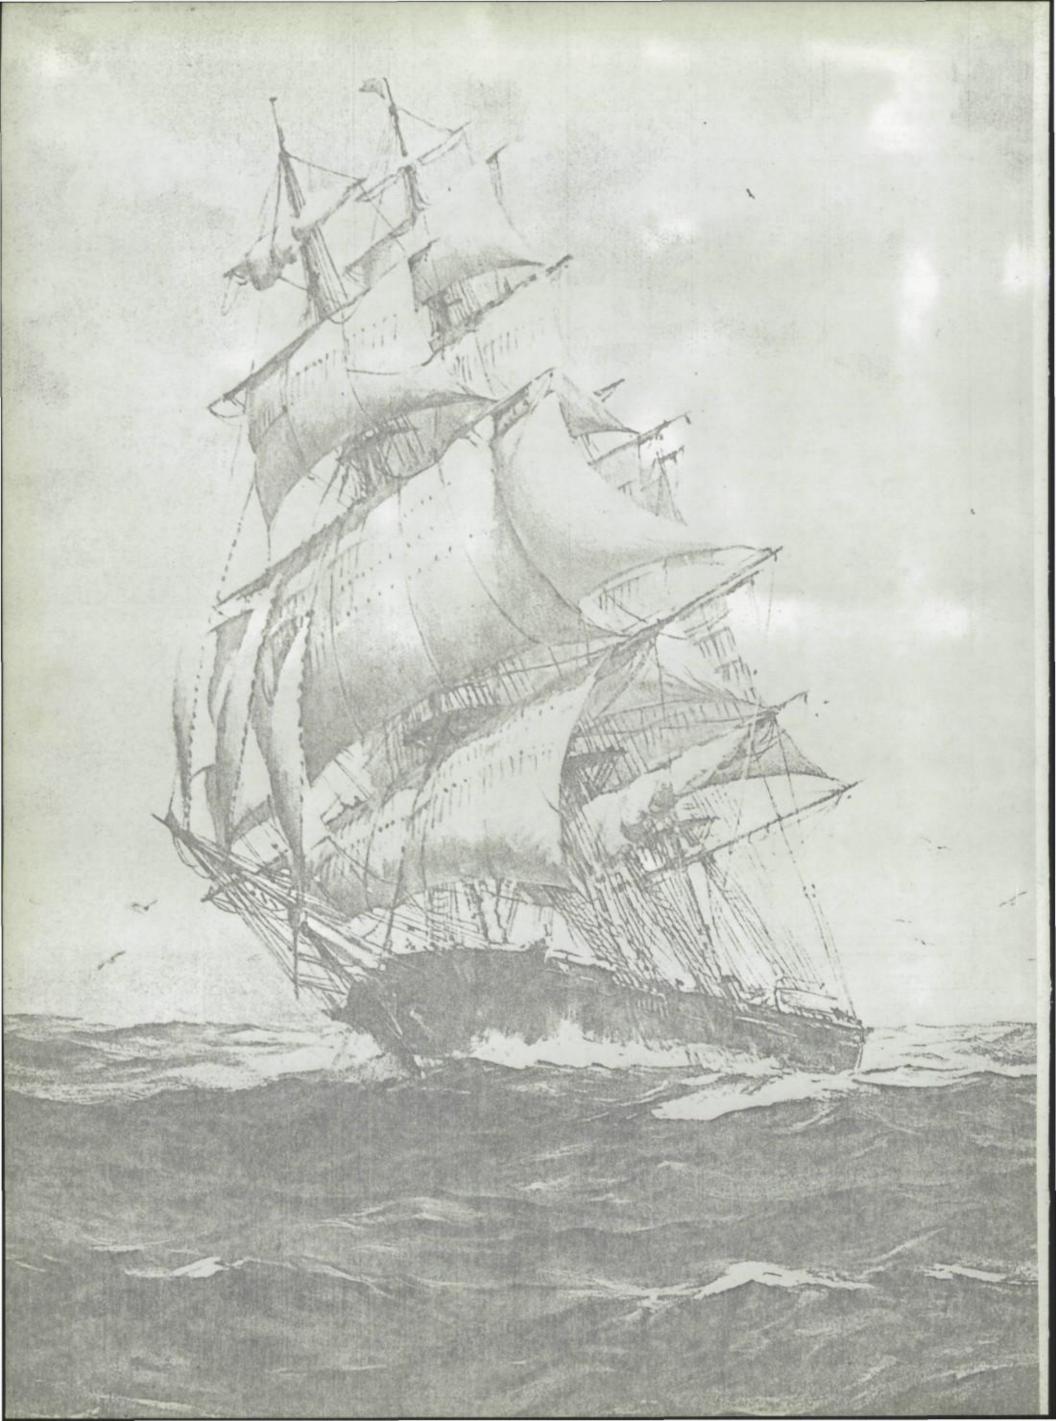

We at the helm must meet the storm And plow right through each rolling wave;

Must steer our bark the best we can And try our best our course to save.

At times the sea will tranquil be, At other times the billows roar; It's then we'll find it hard to steer Our bark along toward the shore.

But if the clouds obscure our view And we lose sight, and oft despair, Let faith, our compass, never fail But steer us in life's harbor fair.

We looked back and remembered the happy times, feeling the rewards of hard work and dedication. At other times we felt alone, isolated in the midst of a crowd. Our exsitence was one of constant new beginnings and continuous endings that fill our lives and our memories. It was our year, molded by the vast and diverse character of who we were and what we had become.

As this year comes to an end, the pirate crew, who will begin again, and those who will continue, pause a moment to reflect the past year. Typical it was not. There were many successes and triumphs. It was dominated by the hopes, dreams, and promises of new beginnings that await each and everyone.

Thanks goes to all those who served on the 1981 Cyprusonian Staff; who tried to capture the past year in a few pictures and phrases. It takes a great group of people to sacrifice the many hours and hard work it took to put this book together.
